## Rob's Review

Firstly, I wanted to let you know that you are all in my thoughts as we cope with the many challenges, we are facing in today's environment with COVID-19. I am present to the fact that many of you are facing job loss, business loss and personal crisis with your loved ones and families and I wish you safe travel to better times when this crisis is behind us...and it will be...thanks to the many medical gurus who are working tirelessly behind the scenes and at the "coal face" to find answers.

Masters Squash will regenerate. Of this you can be assured, and our Committee is working behind the scenes on some initiatives we can implement once we are able to be up and actively running once again.

Given the cancellation of our monthly Tournaments, State Titles and postponement of the Australian Masters Squash Championships in Adelaide and the World Masters in Poland, there is also a huge impact for the Centres who host these and QMSA is hopeful of setting up some initiatives to assist these going forward.

Due to the hard work of the AMSC Volunteer Team, QMSA is in a good position to support these planned initiatives. The first initiative that has already been implemented is that the 2020 Membership Fee has been waived. Those who have paid can request a refund if they choose, or alternatively, allow it to stand for 2021. The 2021 membership fee will also be addressed going forward.

With the postponement to an indefinite date of our AGM, I urge all our members to lodge the nomination forms that were attached to last newsletter and this one. It will assist tremendously to have these nominations in hand in the event our Committee needs to plan a different AGM.

We do need more members on the Committee, and this may be even more evident to get Squash Masters up and running once again. The time commitment is not great, and I know there are many within our Masters family who have great skills. Some personal benefits to those who volunteer are listed further in the newsletter.

### ***THE LOAD IS NOT SO GREAT IF THERE ARE MANY TO CARRY IT!***

Until such time as the AGM can be held, our existing Committee will act for QMSA. There are many positives that I see coming from this crisis, so I urge you all to stay fit and healthy, try to take time in your day to exercise and enjoy the family interaction that has certainly been stimulated by the "Stay Home" policy.

I look forward to seeing you all back on the court very soon.

***Cheers to all***

## From the Tournament Director's Desk

What a strange year we are having. No Squash tournaments since March. So, guess what--- yes, I have been updating our data systems.

As we have just launched our new website, I have now uploaded our first 4 tournament results for 2020. I have also tidied up the rankings and you will find them on the website - see below how to access rankings and tournament results on the new QMSA website.

We are working on some ideas for masters' tournaments when we return to squash. You will hear about them in the near future.

I see that some of our Squash Centres are taking the opportunity to do some maintenance in their Centre so we should have some nice surprises when we return.

Hope you are all keeping active and healthy during this time.

Looking forward to seeing everyone again.

### Results – QMSA Website

You can find them by going to the QMSA Website and you will find 'Tournaments' on the top right-hand side, hover of this and you will then see 'Latest News' hover on this and you will see '2020 Results'.

### Rankings – QMSA Website

I have included players primary squash club in the Rankings. If you find that an update is needed please ring or email me as I hope to have these all up to date by the end of May.

You can find the Rankings section by going to the QMSA Website and you will find 'Tournaments' on the top right-hand side, hover of this and you will then see 'Rankings'. Rankings will be updated on the website every 3 months.
