The QMSA Newsletter

Rob's Review

Great news in this issue with 9 new QMSA members since the start of 2020. Membership is holding around 220 members so another great year of Masters squash is ahead culminating in the World Masters in Wroclaw, Poland in August 2020. From information to hand, Australia will be well represented at this exciting event so we look forward to our Queensland contingent celebrating their successes later in the year.

The new decade for QMSA started with a keen group of Masters who rocked up for the Acacia Ridge One Day Masters Tournament in January. Those keeners who played enjoyed a very warm day of matches and boosted their start to the QMSA tournament year with a great day of squash. Those who were still holidaying were getting themselves ready for the trip to Hervey Bay for the Australia Day weekend.

As usual, Hervey Bay put on a very warm weekend for us all and a great tournament. Very good entries and tremendous support from local players together with those who travelled from Chinchilla, Mundubbera, Gold Coast, Brisbane, Toowoomba. It is so good to see this support! Big thank you to Kats and her Committee for hosting the weekend. Having the local Member of Parliament attend was good value and some good advice for sport funding was reinforced. However, I don't think much of it will reach Masters Squash.

QMSA is now working towards our 2020 State Titles in Toowoomba on the long weekend in May and the Toowoomba Squash Inc team has planning well in hand to make this another great State Titles.

Keep your eyes out for the poster promotion for 30 Plus Young Masters and please network this aspect to any "youngsters" of our existing Masters to come on out to give Masters Squash a try. We know they will not be disappointed.

A shout out in this newsletter for all who are not feeling the best and particularly to our Past President, Shirley Dorricott. Hope to see you back on the court soon.

Next tournament is Labrador Gold Coast Masters on 7/8 March and we know that Waka and his team will be getting ready to spoil us all with a great weekend of squash on the Gold Coast.

See you there!

Championships Website and Entries

The championship website has been updated and contains a host of information about the championships, including the link to the newly released entry form.

Will I be part of the Team?

Over 110 potential players from Australia have indicated an interest in playing in the World Masters Championships in Wroclaw, either by completing the questionnaire or by joining into the Facebook group. About 50% have played in previous World Masters and the rest are new to the event.

Just to remind everyone – there are no selection criteria for the Australian Team other than that you should be resident in Australia or associated with Australian Masters Squash. Anyone can represent their home country (Australia) no matter where you live at the time of the Championships. Effectively, the Championships are an individual event in each age group between 35 and 80+ years and anyone can enter. Everyone who nominates Australia as their home nation will be part of the points competition to determine the winner of the Nations Cup. Some of our team will score maximum points by becoming world champion in their age group. Others will score points by making the final, semis or quarterfinals, or winning or being a finalist in the plate events. Others will have a great time and not score any points, but still contribute to the team by being Ambassadors for Australian Squash. We are all one team.

The Hasta La Vista Club

The venue for the World Masters in Poland is the world's largest squash centre with 32 pristine Courttech courts. This means that over a thousand matches in the week will all be played in the same centre, with the best matches showcased on the glass centre court with comfortable spectator viewing.

Accommodation

The Organising Committee took the decision to book fifty rooms over double, twin and single configurations in one high standard hotel in the old part of Wroclaw to be the team hotel. We thought this would provide a good base for supporting each other and socialising during the Championships. It is an Accor Sofitel level hotel with good facilities including breakfast and meal facilities and bars. We chose the Old Town of Wroclaw because it is in the middle of the tourist activities and attractions – sometimes just hanging around the squash courts every day is not enough.

Given the number of people who have expressed interest in playing in the Championships from Australia, fifty rooms may not be enough. The booked rooms will be allocated on a first come-first served basis, so pay your deposit early to Lisa at Travel Associates. She is coordinating all of the Team Hotel accommodation, so you must go through her to access our team booking.

Of course, some players, travelling with friends or family may want to secure other forms of accommodation. No problem – make your own arrangements and we will still see you as part of the team. Just a note of caution – Airbnb and HomeAway type services that we are used to using in many countries can be a little less reliable and sophisticated in Poland, so do your research and keep in contact with the host.

Transport to and from the Squash Centre

At this stage, The Organising Committee is liaising with the Championships Committee and our Hotel to provide the Australian Team with the best arrangements for transport to and from the Hasta La Vista Squash Centre where all matches will be played. Our unique location in the Old Town with its narrow streets is causing some difficulties in terms of the bus transport. However, we have at least three different options that will provide reliable transport, so no need to worry. Further information will be provided as soon as the best option is identified.
